1. As part of the monitoring and evaluation system of our department, all public schools are hereby notified to generate their respective yearend School Report Cards (SRCs) for the school year 2021-2022. As a tool for advocating and communicating the school situation, context, and performance, all concerned schools are expected to present it to their internal and external stakeholders through various fora. The Schools' DepEd Tayo Facebook Pages can also be used as an additional platform for dissemination.
2. Moreover, all schools are requested to submit a soft copy of their SRCs via this link: <https://bit.ly/3EGOMxL>. There is no need to submit the hardcopy at the Division Office as the submission is recorded automatically through this online submission platform.
