DIVISION MEMORANDUM

No. 42 s. 2023

**SURVEY ON RESEARCH-RELATED CAPABILITY BUILDING ACTIVITIES AND
RESEARCH PRODUCTIVITY IN SCHOOLS**

TO: Chief Education Supervisors
Public Schools District Supervisors
School Heads (Elementary and Secondary)
All others concerned

1. The productivity of an organization's workforce depends on its employees' ability to use training and development as a tool to explore their dexterity (Nda & Fard, 2013). As such, schools contribute to the well-being and performance of their human capital by initiating learning and development activities in order to enhance their capabilities.

2. In view of the foregoing, school heads are respectfully requested to kindly answer the survey which will run until **January 30, 2023** through the link indicated below using your school's actual data:

<https://tinyurl.com/ResearchTASurvey>

3. The findings may aid in establishing the appropriate technical assistance that the Schools Division Research Committee and/or authorities can offer to school staff regarding issues pertaining to the advancement of research as well as aid in fostering a research-friendly environment in our Division. Moreover, this may serve as a guide for school administrators in planning the learning and development activities for their school staff during the school break based on their needs as supported by the consolidated IPDPs.

4. Immediate dissemination of this memorandum and the appropriate and prompt action of those concerned is desired.

IRENE S. ANGWAY, PhD, CESO VI
Schools Division Superintendent
